**COMMON FACTS**

18. Plaintiffs incorporate by reference the allegations contained in paragraphs 1 through 17.

19. The aforementioned Funds are created and administered pursuant to the terms of the Trust Agreements that are properly executed pursuant to state and local law.

20. Since at least May 19, 2014 to date, Defendant Employer was signatory to, or otherwise bound by, a Collective Bargaining Agreement, and any applicable amendments and extensions, between the CAEP and the Laborers' District Council which sets forth, *inter alia*, the wages, hours, and other terms and conditions of employment of laborers employed by the Defendant Employer. See e.g. Exhibit A (hereafter generally referred to as the "CAEP CBA") which is hereby incorporated by reference.

21. Since at least September 24, 2012 to date, Defendant Employer was signatory to, or otherwise bound by, a Collective Bargaining Agreement, and its amendments and extensions, between the GBCA and Concrete Contractors' Association Classification Building and General Construction and the Laborers' District Council which sets forth, *inter alia*, the wages, hours, and other terms and conditions of employment of laborers employed by the Defendant. See e.g. Exhibit B (hereafter generally referred to as the "GBCA CBA") which is hereby incorporated by reference. In addition, Defendant Employer is also bound by the GBCA CBA as it is a member of the GBCA and assigned its bargaining rights to the GBCA.

22. Pursuant to both the CAEP CBA and GBCA CBA (hereafter referred to collectively as the Agreements"), they automatically renew from year to year unless each party gives notice in writing to the other party ninety (90) days prior to the expiration of the term, or of any extended term. To date, neither Plaintiffs nor Defendant Employer have given such notice of intention to terminate.

23. Defendant Employer also agreed to abide by the terms of agreements and declarations of trust, as from time to time amended ("Trust Agreements"), pertaining to Plaintiff Funds and incorporated into the Agreements. Throughout this Complaint, references to the Agreements include and incorporate the related Trust Agreements.

24. Pursuant to the Agreements and by virtue of its consent to become bound by the terms and conditions of employment negotiated by and between the Associations and the Union covering all work performed within the trade and geographic jurisdiction of the Union, Defendant Employer is required to remit timely and accurate reports, contributions, and deductions due for all hours of work performed by its employees under the Agreements in the preceding month to the Plaintiffs.

25. As of this date, Defendant Employer is delinquent in its obligations to remit timely and accurate reports, contributions, and deductions under the Agreement(s) for the period of at least June 2019 to the present.

26. Pursuant to the Agreements, related Trust Agreements, delinquency policy, and/or applicable law, Defendant Employer also agreed to pay and owes the Plaintiffs accrued interest as provided pursuant thereto, at the rate of 1% simple

interest per month, or fraction of a month, or any portion thereof from the due date until the delinquency is paid in full. As of October 10, 2019, Defendant Employer is also delinquent in paying the interest it owes for prior delinquent payments, at least \$ 14,547.03, as set forth in the report attached hereto as Exhibit C.

27. Pursuant to the Agreements, related Trust Agreements, delinquency policy, and/or applicable law, Defendant Employer also owes the Plaintiffs liquidated damages which, under applicable law and the collective bargaining agreements, Trust Agreements, and/or delinquency policy, are at least 10% of the principal.

28. Pursuant to the Agreements, related Trust Agreements, delinquency policy, and/or applicable law, Defendant Employer will also owe the Plaintiffs attorneys' fees and costs and any audit fees necessary to ascertain additional amounts owed through judgment.

29. Pursuant to the Agreements, related Trust Agreements, delinquency policy, and/or applicable law, Plaintiffs are entitled to an audit of Defendant Employer, e.g., to inspect and make copies of any and all records of the Employer pertaining to compensation paid to employees, hours worked by employees, monies withheld from employees for taxes paid on account of employees, and all other records relevant to, and of assistance in, determining whether the Employer's obligations thereunder to make payments to the Fund Depository were faithfully performed and are so performed through judgment.

30. Despite written notice and repeated demands for the delinquent amounts due and full cooperation with an audit, Defendant Employer has failed to

remit the reports, required documents, and the full amount due; and Defendant Employer has also failed to disclose any bonds that may apply to this delinquency.

31. Because Defendant Employer violated its reporting obligations under the Agreements, the Plaintiffs have been forced to incur additional administrative and legal expenses in ascertaining the extent of Defendant Employer's violation and in attempting to correct the arrearage.

32. As long as the delinquent reports, contributions, deductions and accompanying interest, attorneys' fees, costs, and liquidated damages remain unpaid and/or continue to accrue, the Plaintiffs lose the benefits of monetary income that would otherwise be realized if they had been remitted by Defendant Employer in a timely fashion.

33. These economic losses impair, or may impair, the Funds' ability to provide benefits to Defendant Employer's employees and to employees of other companies that have paid their contributions.

34. Plaintiffs are prejudiced by the failure of Defendant Employer to timely pay the delinquent amounts.

35. Defendant Employer's continued violation of the Agreement irreparably injures the Funds.
